How to set up your child's FREE PLUS+ access

Ramsgrange Community School have recently availed of a school licence giving full access PLUS+ accounts to **all** students at the school until 30th June 2020. Studyclix.ie is Ireland's largest online learning community and will help your child manage their own learning outside of the classroom.

Past Junior and Leaving cert
Questions by Topic with marking
schemes and sample answers.

Tutorial Videos to suit a variety
of learning styles and to help
students master any topic.

Exam Builder and Quizzes allow
students to assess their own learning.

Instant Discussion with our subject experts
and the wider Studyclix community provides
expert support when it's needed.

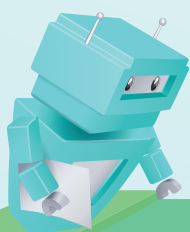

Check out studyclix.ie/subjects to see full list of subjects available at JC and LC level.

Instructions for setting up a Student PLUS+ access

1. Go to Studyclix.ie and select "Join" in the top right-hand corner.
2. Enter your child's email address (avoid using Facebook if this is blocked in the school).
3. An email will be sent to this email address with an activation link to complete registration.
4. Once registered, go to **pricing** (top of screen), click "**I have a code**" and enter this code:

KLLFX9

** Any student with an existing BASIC account should login and go directly to step 4*
