Information Bulletin 20-03-2021

Dear Guardian/Parent,

I hope that this update finds you and your loved ones well as I write this bulletin in preparation of the new school year. It is, of course, also a new adventure for our incoming 1st years.

At this stage there are several important things that we as a school need to do in order to have the best communication possible with you over the next several months.

1. I have created a contact email list with the emails that you provided to me on acceptance of admission to our school. However, if you are still on this list and should not be please let me know asap. Also if there is a partner/ spouse you would like added also let me know. enrolment@rcswexford.ie
2. I will be setting up school email addresses for our incoming 1st years over the next couple of months. It is really important that we ensure that all of our incoming 1st years can access this email and communicate with us BEFORE we return to school. I will need your help to make sure that they are all set up – thank you! You will get more information about this in August.
3. I will also send out a text message about this email. Again, if you receive a text message and should not please let me know asap and I will remove you. If you do NOT get a text message and you should, also please let me know ASAP. Thank you – enrolment@rcswexford.ie
4. These Bulletins are also placed on the school website – minus links and password details. Please do NOT share links and passwords to any RCS events with anyone else, they are the sole invite to the recipient only and confidential to RCS. Thank you.
5. Our information session will take place on TUESDAY MARCH 23rd at 7pm. This is a webinar with a panel of teachers who will introduce themselves and
