

Bulletin 3: Traffic Management in RCS

06-09-2021

Parents/Guardians:

As you are all aware our school population has nearly doubled since 2013. We now have 550 students and 75 staff in total. This of course means a lot more traffic at peak times each day. Health and safety must be our priority and so we ask you to adhere to the following **traffic guidelines**:

- Buses arrive on the premises from 8am.
- Those who drop their children to school by car must do so AFTER 8.30am.
- Do NOT at any stage park on the school driveway – please park your car for your child to get out of the car.
- Adhere to the new markings – there is a ONE-WAY system.
- Do NOT Park in yellow boxes.
- DO NOT park in the disabled spaces in front of the school gym.
- When exiting at the front gate if you can please turn LEFT (you may go ‘around the block’ and come back into the village by the church/national school. This will speed up exiting from the school at a incredible rate.

Thank you for keeping us all safer.

MS. O’ Connor.

If your child has any symptoms of COVID-19 (coronavirus), [self-isolate \(stay at home\)](#) and [get a COVID-19 test](#).

Symptoms of COVID-19 include:

- [a fever \(high temperature - 38 degrees Celsius or above\)](#) - including having chills
- [a new cough](#) - this can be any kind of cough, not just dry
- [shortness of breath](#) or breathing difficulties
- [loss or change to your sense of smell or taste](#) – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal
- runny or blocked nose - nausea, vomiting or diarrhoea
- aches and pains or tiredness -sore throat- headache

Your child may not have all of these symptoms or their symptoms may be mild. Symptoms may vary for different age groups or variants of the virus. It can take up to 14 days for symptoms to show.

Symptoms of COVID-19 can be similar to symptoms of [cold](#), [flu](#) or [hay fever](#).

If you are in doubt about any symptoms you have, phone your GP.
